

Human Cosmos

In times of uncertainty, we all seek a sense of certainty and direction. Human Cosmos can help you navigate through the most vital areas of your life to gain in-depth insights into how to improve your interaction with the world around you, and achieve a higher level of self-awareness, developing your full potential.

HUMAN COSMOS is:

- Mathematically built.
- Your 24/7 AI-based guide.
- Empathic and understanding.

Human Cosmos is designed to help you live better

Conquer your fears to march into the new day with confidence and hope

Unveil what the future holds with full access to the extended astrological forecast on each aspect of your life.

Take a closer look at your Greater Self with 'Human Design'

Your unique 'Human Design' chart gives a 360 degree vision of who you are, helping you get to know yourself better, turning your weaknesses into strengths.

A powerful source of energy and motivation when you're feeling drained

Although some things we encounter are hard to control, our daily recommendations will help you stay fully present and energized, maximizing your ability to cope and prevail.

Sharpen your mind with our individualised, guided wellbeing practices

Prevent anxiety and stress overwhelming you — no matter what! Our wide range of meditations and practices is there to help you in moments of particular need or confusion, 24/7.

Human Cosmos Unique Features

Personalized real-time forecasts

Turn astrology to your advantage by dispelling doubts, getting insights, and joining the dots in your life. We read the stars and generate daily in-depth forecasts to keep you tuned in to a broader picture of your life.

One-of-a-kind Human Design chart

Human Design is a unique tool to understand yourself better, uncover the hidden aspects of your being, and develop a more effective approach to interacting with the world around you. Your birthday can tell a lot about you

Guided practices and meditations

Whenever you need a break or restore your balance and peace of mind, you'll definitely find something that suits you and your mood best, helping you stay calm and focused and in the moment during uncertain and challenging times.

Private space for your thoughts

We all have thoughts we're afraid or anxious to talk about. Capture them in our online journal. That will help you significantly improve your mental health, let off steam, and regain control over your emotions.
